

LAKE TEKAPO SCHOOL

UNIFORM POLICY & ORDERING

As at May 2023

Students enrolled at Lake Tekapo School are required to wear the official school uniform. This establishes a school identity and sense of belonging, and supports the school in creating a sense of pride in being a Lake Tekapo School student.

The Lake Tekapo School uniform has been chosen with 4 main objectives:

1. To ensure students look tidy and smart
2. To promote physical activity by being a comfortable uniform that is easy to run, play and climb in
3. To allow a degree of flexibility in the colder winter months when extra wool and/or thermal layers, snow clothing and snow boots are necessary
4. To be affordable

The uniform items are to be purchased through the approved providers as set out below.
