SCHOOL TRIATHLON

Staff were very appreciative of the large turnout of parents, caregivers, grandparents and friends who came to watch the children compete in the Lake Tekapo School Triathlon on the final day of Term 1. All students ran, biked and swam their way around the various courses, with great spirit and attitude.

2023 Ski Passes

Student season passes will be available for purchase soon from the Roundhill Ski Field website. The cost of the season pass has remained the same as last year at \$150 per child. We encourage parents to purchase these passes for their child/ren, as it is the cheapest option for the ski season. We will let parents/caregivers know when the discount code comes through from Roundhill to purchase the discounted childrens' season pass, with a link to the Roundhill Ski Field website.

For children aged five and under, Roundhill does also offer a cheaper season pass, (amount to be confirmed) and again, we encourage parents to take advantage of this opportunity.

If parents would like to, they can begin to put money towards the cost of skiing by depositing money into the Lake Tekapo School Account:

03-0855-0334524-000 with the reference SKIING and your family name.

YEAR 6 LEADERSHIP DAY AT FAIRLIE PRIMARY SCHOOL 5th May

Our Year 6 students have been invited to attend a Leadership Day at Fairlie Primary School this Friday. The day includes several guest speakers, Head Students speaking about their Leadership journeys and workshops. Thank you to those who have offered transport for the day.

CROSS COUNTRY TRAINING

We are starting Cross Country training at school, so can you please ensure that your child/children come to school wearing suitable footwear (sneakers) for this.

We will advise you of the date for the MacKenzie Cluster Cross Country when we receive this information.

UNIFORM POLICY Reminder

Students enrolled at Lake Tekapo School are required to wear the official school uniform. This establishes a school identity and a sense of belonging and supports the school in creating a sense of pride in being a Lake Tekapo student.

The Lake Tekapo school uniform has been chosen with four main objectives:

- To ensure students look tidy and smart
- To promote physical activity by being a comfortable uniform that is easy to run, play and climb in
- To allow a degree of flexibility in the colder winter months when extra wool and/or thermal layers, snow clothing and snow boots are necessary
- To be affordable

All of the uniform items are able to be purchased directly via the NZ UNIFORMS website <http://laketekaposchool.nzuniforms.com> or purchasing directly from the NZ Uniform Shop at Washdyke, Timaru.
