

School Closed: Labour Weekend:

School will be closed on Monday with it being Labour Weekend. We look forward to seeing the children on Tuesday 28th October.

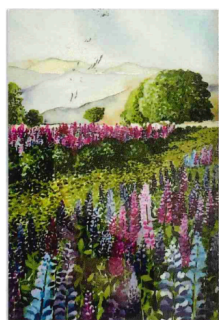

Stewie Farewell - Wednesday 5th November - 12:30pm

The Lake Tekapo School Board and Staff would like to hold an afternoon for Mr Stewie Inch who has been an absolute stalwart here at Lake Tekapo School. Stewie has been in the role of the Lake Tekapo Lions Liaison person, but more importantly a commonsense, practical ear to call on for both the staff and [children](#). If you are available to come into school on Wednesday 5th November we would like to recognise Stewie's involvement over the years. The children will perform a few songs and we are hoping to play a big game of cops and robbers along with a BBQ lunch. It would be wonderful to have representation from our parent community on the day. If you could let Jane know in the office, we can cater accordingly.

Dunedin Camp - Tuesday 18th - Friday 21st November

I had intended to have the transport and accommodation information out on Friday, however we are still working through changes and parent's arrangements. We are nearly there and this information will be sent early next week along with Baking needs, Clothing lists and Health and Safety protocols will also be going out.

Wellbeing - Nadine Allan

We are finally on a consistent roll this term with Nadine coming into School to work with the children on self regulation and wellbeing strategies. This is massive and supports the work we are continuing to achieve as part of our school plan. Nadine will be working with the Godley children on a Wednesday morning and with the Macaulay children on Friday afternoon. Nadine will also be attending our school camp in Dunedin as a valued

member of staff. If you are wanting to know more about the programme, Nadine will be available to talk next Friday after school or on consecutive Friday afternoons. We are also working on organising a Home and School event to make the most of her skills and expertise on behalf of the children and staff.
